

The K-Love radio signal is the only station my family listens to in Cincinnati. The local community would have NO broadcaster with family-friendly, no commercial, Christian programming if K-LOVE were to be replaced by an LPFM station. The service provided by K-LOVE is in the public interest because it is the one station we have found that provides something for the entire family from small children to the elderly. It supports wholesome values and has a positive and encouraging impact on our community. Please preserve this service that I value.
